You need Vudor Porch Shades to get the most out of your porch.

With Vudor Porch Shades you can add another room to the house, an out-of-door room, airy, cool and shady, where you can enjoy yourself on the hottest days in secluded comfort.

Another good feature about them is the peculiar fact that those sitting on the porch can see out but passersby cannot see in.

VUDOR Porch Shades are made of wide, tough, flat strips of wood, one-tenth of an inch thick, of the kind that best endures out-of-door exposure. These strips are closely woven with Seine Twine, in a "lock" weave.

They are artistically stained in soft, pleasing Linseed Oil colors. These colors are weather-proof, and will not fade or crack off. VUDOR Shades can be instantly raised or lowered as desired and are easily put up. The only satisfactory shades are VUDOR Shades. They throw the porch into cool, mellow shadow, exclude the sun's scorching beams, permit a circulation of air, are moderate in price and last for years.
